DEDICATION

It is a proud position in which any man stands when he can look in retrospect upon a long succession of years given to the service of others. In his youth, as he begins his chosen work, he thinks little of the ultimate breadth of his influence. Unrealized by him, however, that influence expands in ever-widening circles as he sets himself to every task comprehended within his sphere of duty. The sound purposes of those who have gone before him he sees, in his growing wisdom, as worthy of continuance. He does not tear down; he builds.

In such a position can Joel Lafayette Fletcher stand. As a youthful teacher he associated himself with an equally youthful institution and advanced with it for two decades after which he became its chief administrator. And now, for twenty-one years as president of a full-grown academic foundation, he can look back upon loyal and uninterrupted service to the State of Louisiana and more particularly to his adopted region of the State.

But the fulfillment of his aims, the concrete and the intangible fruit of his work would be to him today less personally satisfying were it not for the encouraging companionship, the ideals congenial with his own which his gracious wife, Frances McLees Fletcher, has constantly supplied not only to him, but to his whole academic family.

L'ACADIEN is happy to offer this edition of 1963 to President and Mrs. Fletcher as an expression of the warm esteem in which they are held by the University of

Southwestern Louisiana
and as an assurance that
as long as memory lives,
they too shall live.

THE UNIVERSITY OF SOUTHWESTERN LOUISIANA—Here are just a few glimpses of what you, as a student, will find on this campus.

. . . the familiar scene of members of our Greek organizations checking for those unending notices in the entrance of the Student Union.

. . . the earnestness of eating that delicious watermelon at a summer party, which is just one of the many enjoyed by USL students.

Perhaps if you miss these activities, you will be reminded of the friendliness of our University in other ways.

. . . the sight of a smiling face as one of our male students rides to class on a favorite mode of transportation—the bicycle!

. . . the joys of letting off steam and enjoying yourself at one of our dances, usually sponsored by the Student Council, the sororities, or other organizations on campus.

. . . the thrill of seeing those boys in their unforgettable Bermuda shorts, which are worn to class and even on dates—much to our surprise!

A most cheerful atmosphere surrounds you as you wind your way to Guillory Hall, popularly known as the "Stu."

. . . the anxiety of someone checking his box in the post office, just hoping that he has something in it besides dust.

. . . the groups of boys emerging from the Club Room, where commuters as well as regular students may go to relax and study.

. . . the social-minded professors as they chat with the students, something that promotes a good teacher-student relationship here on campus.

. . . the hustle and bustle of our collegiate set as they eat dinner in the O. K. Allen Dining Hall, which is located across the street from the Stu.

Dupre' Library

Exterior view of the
Dupre' Library

Now is the time for the saying of "all work and no play" to be reversed. With such a good setting as the new Dupre' Library, how could anyone help but make good grades! Here are a few situations to show you what we mean: . . . the intense attention of an engineering lab class that makes you think of the hours of work that those boys put into their calculus, dynamics, and other such courses.

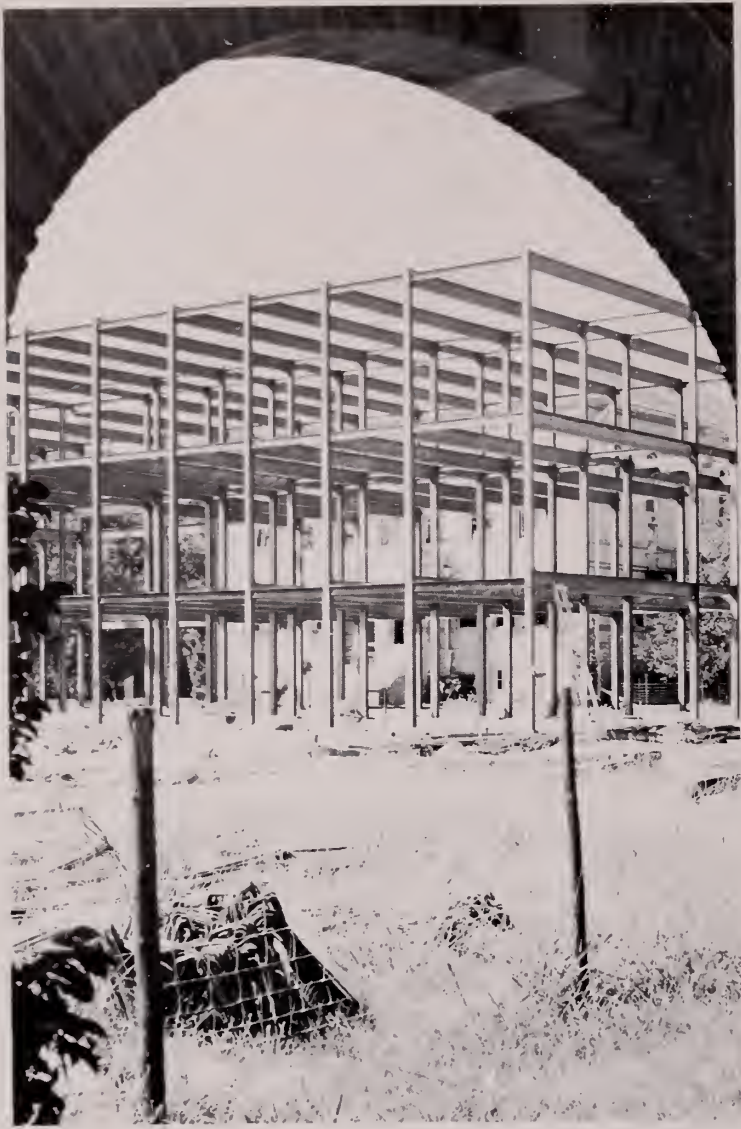

. . . the privacy of a study room in the library which offers you an opportunity to concentrate on your work for that test coming soon or just to review your materials in a sound-proof room where no distractions can take your eye off that page.

. . . the delicious smells of a home economics cooking class that float out of the windows of Lee Hall and tempt you while on your way to classes in Broussard or Mouton Halls.

Steel frames of the new Martin Hall

Our great University is slowly undergoing an expansion program which includes:

. . . the new Martin Hall, which will house the College of Commerce and all the administrative offices of the school.

. . . a new dormitory, Elmore Bonin Hall, which will house four hundred girls.

. . . a new boys' dormitory, Rexford McCullough Hall, which will eliminate some of our housing shortages.

. . . a new cafeteria, Esteve Martin Hall, which will enable the students to have a more convenient place to eat.

An early stage of construction of the now complete Bonin Hall

As you have seen, the University of Southwestern Louisiana is a campus of many moods—it is friendly, studious, overwhelming, relaxing—yes, it is a wonderful place to receive a well-rounded education.

NOT PICTURED: Oris Young, Athletic Director; Martha La Fleur, Publicity Director; Tom Mauldin, Vice President; Russell Smith, Devotional Director; Richard Jones, Student Center Chairman, Richard Groves, Chapel Director.

The USL BSU is a union of the Baptist on USL campus. It is supported by the Student Departments of the Southern Baptist Convention and the Louisiana Baptist Convention, and by local Baptist churches. The Baptist Student Center provides students with a place of worship, fellowship, and the study of God's world and Word. The center, located at 1226 Johnston, is open Monday through Saturday for anyone who wishes to use its many facilities.

LSU activities are planned and effected by the student Executive Council under the supervision of Director Bob Walden. Among these activities are: regular chapel services at noon, Monday through Friday, and Vesper meetings at 7:00 p.m. Thursdays; frequent program presentations and student preaching at churches in the Lafayette area; athletic teams in various intramural sports; attendance at state and national conventions and assemblies; Bible study groups; and various special social events.

Baptist students gather in their center for fun as well as inspiration.

Canterbury Club

Left to Right: Jac Lisle, Freshman Representative and Publicity Chairman; Bucky Allen, President; Charlotte Pettus, Sophomore Representative; Rev. Terence Harris, Chaplain; Timothy Pettus, Freshman Representative, Mike Lisle, Junior Representative.

The USL Canterbury Club, known as the James Morris chapter in honor of a former bishop of Louisiana, was established in 1938. For many years the club met in a small wood house down the street. Now the Canterbury Club enjoys a modern building of its own situated next to the Church of the Ascension Episcopal Church.

During the summer, Canterbury Club participated in the United Fellowship meetings. Since, the club has had its weekly meetings on Thursday nights. These consist of films, lectures, parties, discussions, meetings with other religious organizations and a monthly supper. Among other activities, Canterbury Club participated in Religious Emphasis Week and Homecoming. Every Thursday morning, there is a special service of Holy Communion and a breakfast for USL students. This year the Canterbury club has as its chaplain, the Reverend Terence Harris from Baton Rouge.

Among the many activities of Canterbury Club are banquets and guest speakers.

Gamma Delta

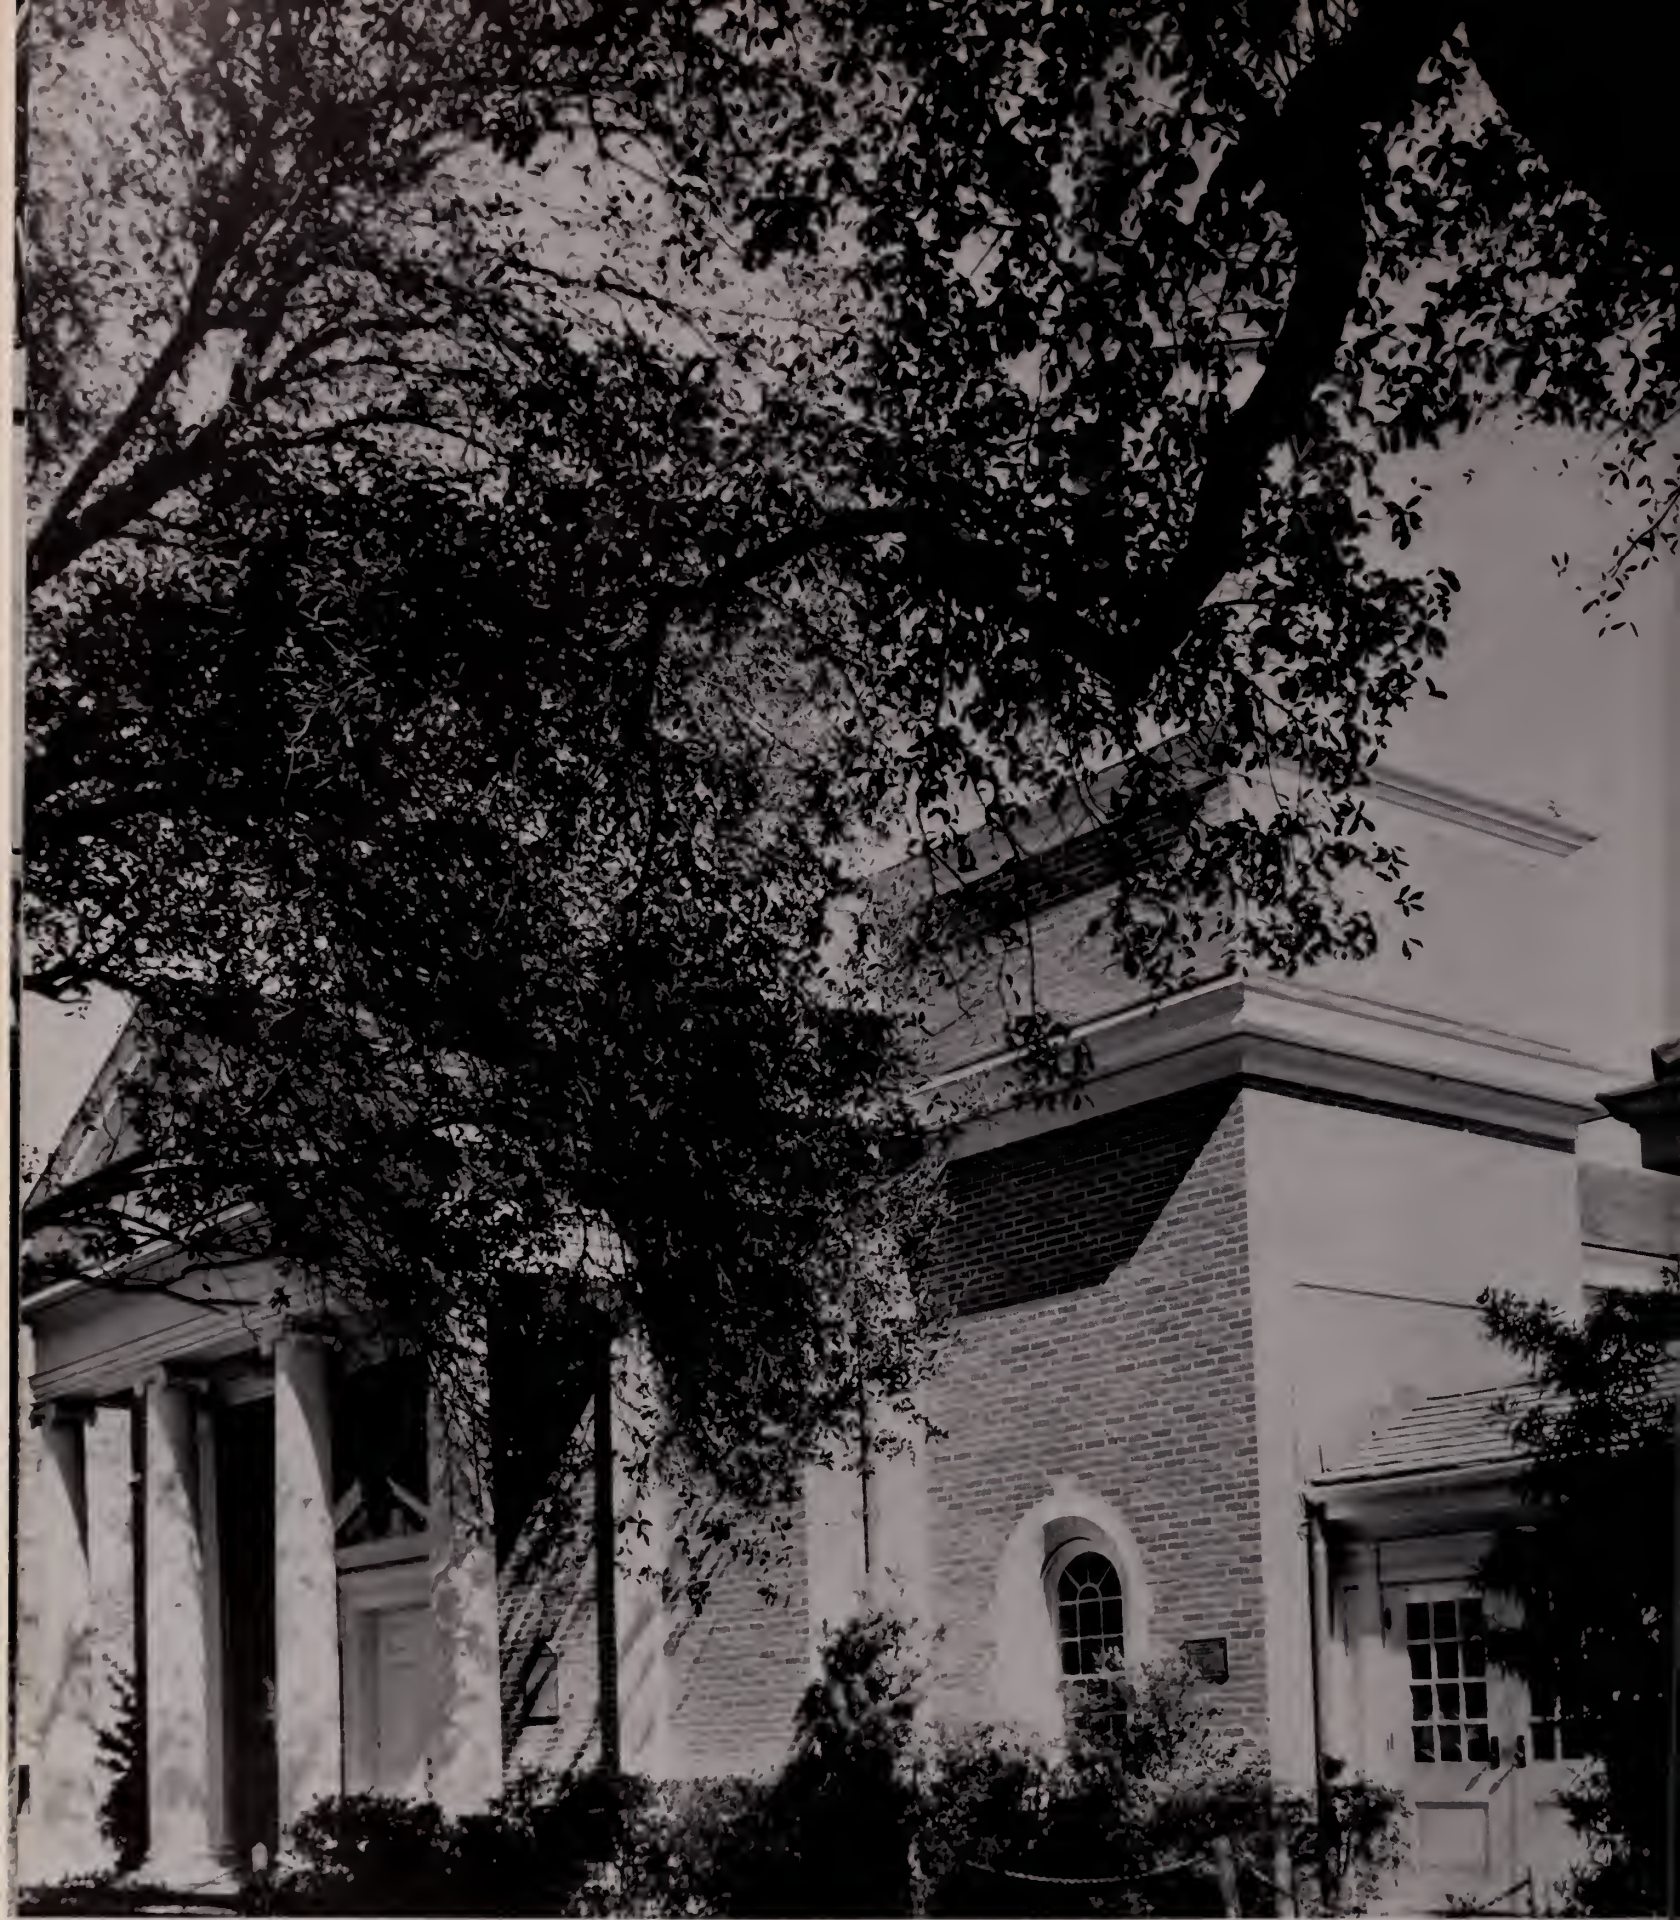

Left to Right: Bobby R. Junker, President; Kay Capdeville, Secretary; Esther M. Rendon, Treasurer; Sharon D. Miller, Interfaith Council Representative; Dottie Randolph, Interfaith Council Representative; Barbara Nesbitt, Membership Chairman.

Gamma Delta, International Association of Lutheran Students, is represented on the Southwestern campus by the Beta Tau chapter. Organized in 1947, this chapter has served a relatively small Lutheran enrollment. Until recently, weekly meetings were held in various campus rooms. On October 1, 1961, Trinity Lutheran Church of Lafayette dedicated a new chapel and student center adjacent to the Southwestern campus at 1402 Johnston Street.

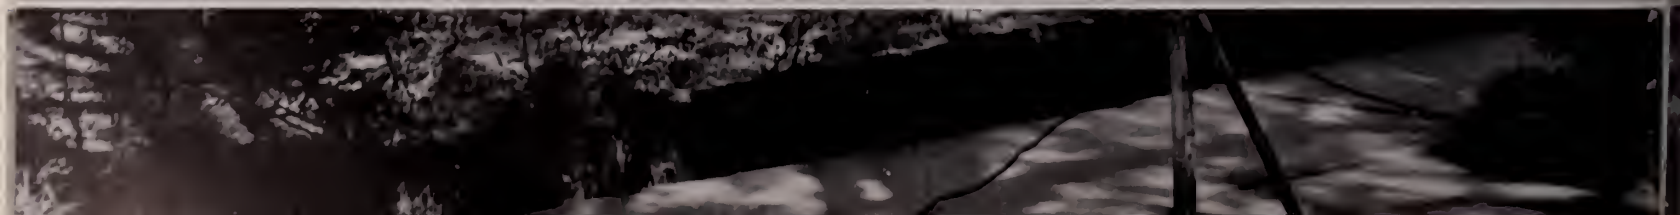

The local chapter of Gamma Delta endeavors to conserve and develop Christian faith and to encourage Christian action among University students through a program based on Christian knowledge and Christian service.

Good fellowship, lively discussions, and spiritual learning are all part of Gamma Delta.

Newman Club

SEATED, left to right: Donn Kurtz, President; Frank Simoneaux, Executive Vice President; George Cannon, Religious Vice President; Sarah Burson, Intellectual Vice President; Mary Linhares, Social Vice President; Jose A. Boix, Publicity Vice President. STANDING, left to right: Benny Garret, Membership Vice President; Alice David, Recording Secretary; Melanie Odinet, Corresponding Secretary; Dinah Dupre, Treasurer; Kathy Broussard, Historian; Nick Taylor, Marshal.

The Newman Club was established at Southwestern in 1923 and Our Lady of Wisdom Chapel and Student Center was completed in 1942. Father Alexander O. Sigur was appointed as the new pastor by Bishop Jules B. Jeanmard; and Father Jude S. Speyrer was named assistant.

The purpose of Newman Club is to deepen the spiritual and enrich the temporal lives of its members through a balanced program of religious, intellectual, and social activities. As the Club develops a well-rounded program, the member becomes a well-rounded Catholic. Perhaps for the first time, he becomes conscious of his bearing as a whole man. The Religious Phase of the program is to help the students grow in love of God and their fellowmen. The Educational Phase enables one to "admit a God, and you introduce among the subjects of your knowledge, a fact encompassing, closing in upon, absorbing, every other fact conceivable." The Social Phase emphasizes the creation and maintenance of a Catholic atmosphere and community in which good friendship and group living will flourish.

Newmanites dance, chat, and enjoy refreshments at their Thursday night meeting.

Wesley Foundation

SEATED, left to right: Caroline Helquist, President; Frank Graves, Promotion Vice President; David Mullenix, Program Vice President; Nancy Morgan, Secretary; Maurice Leatherbury, Treasurer; Ronald Sarver, State Representative. STANDING, left to right: Alberta Carson, Recreation Chairman; Ruth Wagner, Representative, Carolyn Forgey, Publicity Chairman; Henry Aymond, Representative; Martha Stringer, Worship Chairman; Diana Skaggs, Deputation; Nancy Gardner, Music Chairman; Beverley Mangham, Assistant Publicity Chairman.

The Wesley Foundation, which had its beginning at USL in 1944, dedicated its present Methodist Student Center in 1949. The Wesley Foundation represents the Methodist Church's attempt to effectively minister to its students during the crucial college years.

This year's program is so planned that each student participates in the activities at the Foundation, and it is hoped that through their contact with the Foundation, the Methodist students will have a deeper and more vital relationship with Jesus Christ.

The Methodist Student Center is a place where students can go anytime to study, and to enjoy games, music, or just each other's company.

One of the highlights of Wesley's program is their spirited song fests.

Westminister Fellowship

BOTTOM ROW, left to right: John Curnow, President; Judy Clerc, First Vice President; Pat Jessop, Second Vice President; Barbara Duncan, Secretary; Mollie Heath Conn, Advisor. TOP ROW, left to right: Larry Gage, Treasurer; Janet Debrueys, Arrangements Chairman; Herb Cook, Synod Representative; Bernie Burwich, Recreation Chairman; Rel Guillory, Public Relations. NOT PICTURED: John Gatledge, Worship Chairman.

Westminister Fellowship is a Christian organization for students related to the Presbyterian Church. Our purpose as we unite in Westminister is to become complete disciples in order that we will discover God's will for our lives and do it. Therefore; we commit ourselves to acquire a dynamic faith through Christian experience, worship, and study. We dedicate our lives to the expression of this faith by word and deed, to work with those of like purpose, and inviting others to join with us in building today for a world of God.

Westminister Fellowship has a general meeting each Thursday evening with outstanding speakers and other attractions. There are discussion groups at various times, including Sunday morning and evenings. Our programs explore personal, campus, and world problems in relation to a Christian viewpoint.

Also, we like parties and projects. For those who like to have a personal hand in our "doings," paint brushes, tools, and general equipment are available. "Doing over" the student lounge is a popular activity. At present, the trend is to built-in cabinets and Hi Fi, a library, new rug, and a mosaic coffee table.

Valentine's Day was a gala event with a banquet, decorations, and a chance to chat with friends.

Sorority Rush

Annual convocation at Burke Hall commences "rush week" for sororities.

"Cool as the mountain air" are these AOPis relaxing before their Alpine party.

Everyone finds something to do on the S.S. Sigma Showboat —sho nuff!

Do Tri Deltas always "monkey" around during their parties?

Pearls of wisdom and diamonds of beauty abound in Delta Zeta's underwater kingdom.

"Cut out the funny business. What did you do with Jack?"

A brief intermission while the Wizard takes a coffee break.

"How would you-u-u like to be QUEEN for a DAY?"

KD—There's always one who doesn't know what an "informal" invitation means!

AOPH—"Our president? Oh, she broke her leg skiing yesterday."

SSS—"Walk right in, sit right down, baby, let your hair hang down!"

"Aloha lei, aloha lei," the Tri-Deltas say!

ASA—ASA “dealt” right from the top with their “Alice in ASA Land” party.

Freshmen girls reach the epitome of tenseness while waiting for sorority bids.

One step closer to knowing “rush” results.

And silently they wait, and wait, and wait, and . . .

Sleepy-time pledges of AOPi.

P

Alpha Omicron Pi was founded sixty-six years ago at Barnard College of Columbia University in New York on January 2, 1897, when four friends pledged true friendship to one another.

Delta Theta Sigma, a local sorority, petitioned and became Delta Beta Chapter of Alpha Omicron Pi on September 22, 1956. The national sorority jewel is the ruby; color, cardinal red, and flower, Jacqueminot rose.

Delta Beta Chapter, here at USL, participates in many campus activities including an annual campus dance, the AOPowWow. The proceeds from this dance go to the national philanthropic project, the Frontier Nursing Service. The chapter also supports the Delie Bancroft Loan Fund on campus.

AOPis entertain with a Spring Formal, a Parent-Daughter Banquet, and a Founders' Day Banquet each year.

Delta Beta's active membership consists of 60 girls, with an active Alumnae Chapter and a large Mother's Club here in Lafayette.

Ann Neubig, president of Panhellenic, presents Alpha Sigma Alpha president, Glenda Thibodeaux, a trophy earned by the sorority for fostering fraternity spirit.

Alpha Sigma Alpha is a family affair. In her sisterhood one learns the true meaning of friendship and the inestimable joy of service to others. Alpha Sigs know the broadening experience of sharing dreams, work, and play. The aim of the sorority is the physical, intellectual, social, and spiritual development of its members. The philosophy of Alpha Sigma Alpha encompasses a love of life and a joyous living of that life. Her members are impressed with the need to develop vigorous bodies, to acquire wholesome habits of living, and to budget their time and strength among the many activities of college life. Alpha Sigmas engage in a variety of philanthropic projects, especially concerning mentally retarded children.

Alpha Sigma Alpha was founded at Logwood College in Farmville, Virginia, on November 15, 1901. Beta Zeta Chapter at Southwestern Louisiana Institute was installed on November 3, 1940.

Alpha Sigma Alpha was awarded in 1962 by Panhellenic a trophy for fostering fraternity spirit.

DELTA DELTA DELTA

Delta Delta Delta was founded on Thanksgiving Eve, at Boston University. Since that date, the sorority has increased to become the second largest social sorority. Phi Nu chapter of Delta Delta Delta was established on the USL campus in April of 1957.

Enthusiastic Tri Deltas participate in a great variety of activities during the year. These include the Sadie Hawkins Dance, an annual pledge-sponsored dance for the purpose of raising money for the local Sudie Carroll Scholarship. During the various athletic seasons, many projects are undertaken to promote school spirit; for the past three years Tri Delta has received second place in the school spirit contest. In 1962 it placed first in Homecoming Decorations.

Tri Deltas place great emphasis on the attainment of high scholastic goals. In the fall of 1962 the Phi Nu chapter received the Agnes Edwards Award for having ranked highest in scholarship for two consecutive semesters. For the past two years, a Tri Delta has been named the Most Outstanding Senior Woman on campus. Tri Delta claims many beauties and favorites, one of which was elected Miss University of 1963.

Throughout the years, Delta Delta Delta has combined scholastic and social activities to form a well-rounded program which supplements the college career and gives inspiration for a fuller life.

Δ
Z

Delta Zeta Sorority was founded on October 24, 1902, at Miami University, Oxford, Ohio. In 1910, it was admitted into membership of the National Panhellenic Conference. From the small group of six girls it has grown to include 143 college and 226 alumnae chapters, with 46,000 members.

The badge of Delta Zeta is the Roman Lamp. The sorority flower is the Kilarney Rose; old rose and vieux green are the colors. Its publication is *The Lamp*. The organization's national philanthropies are: The American Hearing Society, Gallaudet College, the Navajo Indians, and the United States Hospital, Carville, Louisiana.

Delta Zeta stresses scholarship; each semester a Scholarship Award is presented to the Initiate having the highest academic average.

Delta Kappa Chapter of Delta Zeta was installed at the University of Southwestern Louisiana on May 12, 1956. It was formerly a local sorority, Nu Sigma Kappa. Some of the traditional activities are the Founders' Day Banquet, Parent-Daughter Luncheon, Faculty Dessert, Flapper Dance, Initiation Banquet, and the annual Rose Ball.

KAPPA DELTA

K
Δ

Alpha, the first chapter of Kappa Delta Sorority was founded in 1897 at Longwood College in Farmville, Virginia. The four founders, Mary Sommerville Sparks, Julia Tyler, Lenora Ashmore, and Sara Turner, were bent on establishing a society whose main purpose would be to inculcate into the hearts and lives of college women the essential principles of truth, honor, and duty without which there can be no true friendship.

The sorority expanded, and in 1956, the local sorority, Delta Epsilon Nu, on the USL campus, became Gamma Kappa Chapter of Kappa Delta. The Southwestern chapter, consisting of 72 members, is now one of 102 chapters throughout the nation containing a total of approximately fifty thousand college members.

Since its beginning, Kappa Delta on the USL campus has been active in many activities, both social and service. Each fall the chapter sponsors a Cowboy Jamboree for the benefit of its Janet Efferin Scholarship Fund. At this event, a sweetheart is selected from the KD pledge class, and a beau is selected from the Kappa Sigma pledge class, KDs brother fraternity. In the spring the chapter holds a parent-daughter luncheon and a dinner-dance, at which the new initiates are formally presented. Aside from these social events, the Kappa Deltas work at the Southwest Louisiana Rehabilitation Center; they aid in the annual March of Dimes drive; and they visit the orphanage.

Phi Mu was organized on March 4, 1852, at Wesleyan College at Macon, Georgia. The three founders were Mary Dupont Lines, Mary Myrick Daniel, and Martha Hardaway Ledding. Alpha Sigma chapter of Phi Mu, originally Phi Delta Eta, was chartered on the campus of Southwestern Louisiana Institute on October 6, 1956.

Phi Mu awards several scholarships and loans. One of the annual projects, the Sailor Hop, is to raise funds for the Emily Huger Fund. The Phi Mus enjoy many activities, such as Christmas Orphan's Party, house parties, workshops, joint socials with their brother fraternity, Kappa Alpha. They partake in many social services, some national projects as the National Philanthropic Program, Service to Children, Phi Mu Foundation, Three Star Service Program, and Philanthropic Toy Cart.

Sigma Sigma Sigma was established on April 20, 1898, on the campus of the State Normal School of Farmville, Virginia, now known as Longwood College. The colors of Sigma Sigma Sigma are royal purple and white; the flower is the purple violet; and the jewel is the pearl. Tri Sigma's membership, on this campus, has surpassed the five hundred mark.

The Alpha Mu Chapter of Tri Sigma was installed May 30, 1931, on the Southwestern campus. It was the first sorority on this campus with a national affiliation.

Among its numerous activities on campus are the Sigma Socky Hoppy, Sigma Sells Seals Drive, Tri Sigma Christmas Dance, Initiation Ball, Robbie Page Memorial Fund, and the Annual Pledge Friendship Tea.

DELTA SIGMA PHI

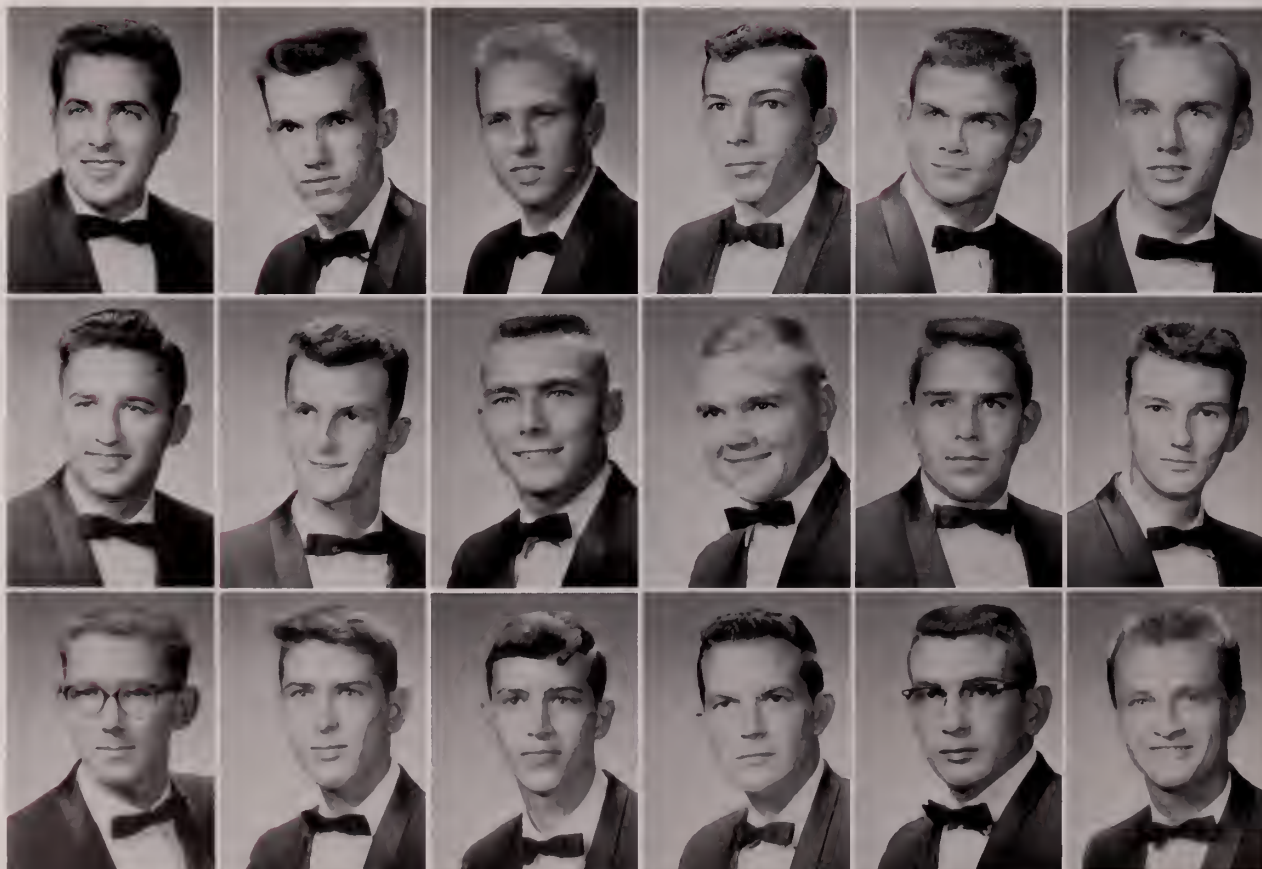

Beta Upsilon chapter of Delta Sigma Phi first came on campus at Southwestern in 1948. It is the second oldest fraternity on the USL campus.

To remain faithful to its name of "the fraternity of engineered leadership," DSP presents several important awards to deserving actives and pledges at the Coronation Ball. These awards include the Scholastic Award, given to the active who has most improved in his studies, and the Extra-curricular Activities Award, given to the active who has most participated in outside activities.

Many trophies line the walls of the DSP house. Most of these awards are for intramural activities. Delta Sigma had, for the past year, four members on the Student Council, including the treasurer of the Student Council, both representatives of the Liberal Arts college, and a representative of the Engineering college. Delta Sigma Phi boasts members on Circle K and APO service fraternities, as well as the Blue Key honor society.

Since first coming on campus, Delta Sigma Phi has offered actives as well as pledges, the opportunity to improve themselves mentally as well as physically in order to better understand and work with a group.

The Kappa Alpha Order had its beginning on December 2, 1865, at Washington and Lee University. Its first conception was brought about by James Ward Wood of Lost River, West Virginia. The spiritual founder and leader of Kappa Alpha is General Robert Edward Lee, President of Washington and Lee University at the time. He was chosen as its spiritual founder because it was under his guidance that the Order had its beginning.

Gamma Phi Chapter became a segment of this Order on December 2, 1960, on the campus of the University of Southwestern Louisiana. Gamma Phi became the eighty-first chapter of the Order. Its first president was A. Bruce Arceneaux, and its president today is Kenneth L. Butcher. Gamma Phi's present membership stands at eighty-seven young men.

Kappa Alpha Order's main social affair is its annual "Ole South Ball," which is held every spring semester in late April. This festive occasion assumes its atmosphere from the traditions of the ole southern way of life. The affair is made up of two parts, one of which is the Lawn Party in the afternoon. It is followed by the Ball that evening.

KAPPA SIGMA SWEETHEART
Mary Ellen McKay
Kappa Delta

Starting from a close association of five friends and brothers at the University of Virginia in 1869, Kappa Sigma has become one of the largest social fraternities in the United States and Canada. Epsilon Chi chapter at Southwestern, initiated March 17, 1956, has steadily grown to its present size of seventy five actives and pledges.

This year's activities starting with a very successful rush, have included civic projects: collecting Christmas donations for the Salvation Army and a Christmas Party held for a cub scout troop from St. Mary's Orphanage; the annual Sweetheart dance held in February; and the Founders' Day barbecue and dance held on March 17. The traditional Senior Banquet held in tribute to the accomplishments of the graduating seniors closes the Kappa Sigma year.

LAMBDA CHI ALPHA

Α

Lambda Chi Alpha social fraternity was founded on November 2, 1909. By the end of 1912, it had within its walls six sturdy chapters. The continuing growth of Lambda Chi Alpha required more room and, consequently, in 1939, Lambda Chi Alpha merged with Theta Kappa Nu fraternity, to form one of the largest fraternity mergers in the history of the fraternity world. Up to date, L.C.A. has over 165 chapters and colonies.

The colony at USL was established on September 23, 1961. It was formerly Alpha Chi social fraternity, a local, founded on April 18, 1961. This local was chartered as Iota Omega Zeta on May 5, 1962. The chapter now has 64 members.

Looking back on the year, Lambda Chi reflects there has been a considerable amount of work done for charity, particularly in the sponsorship of the Annual Charity Bowl.

PHI KAPPA THETA

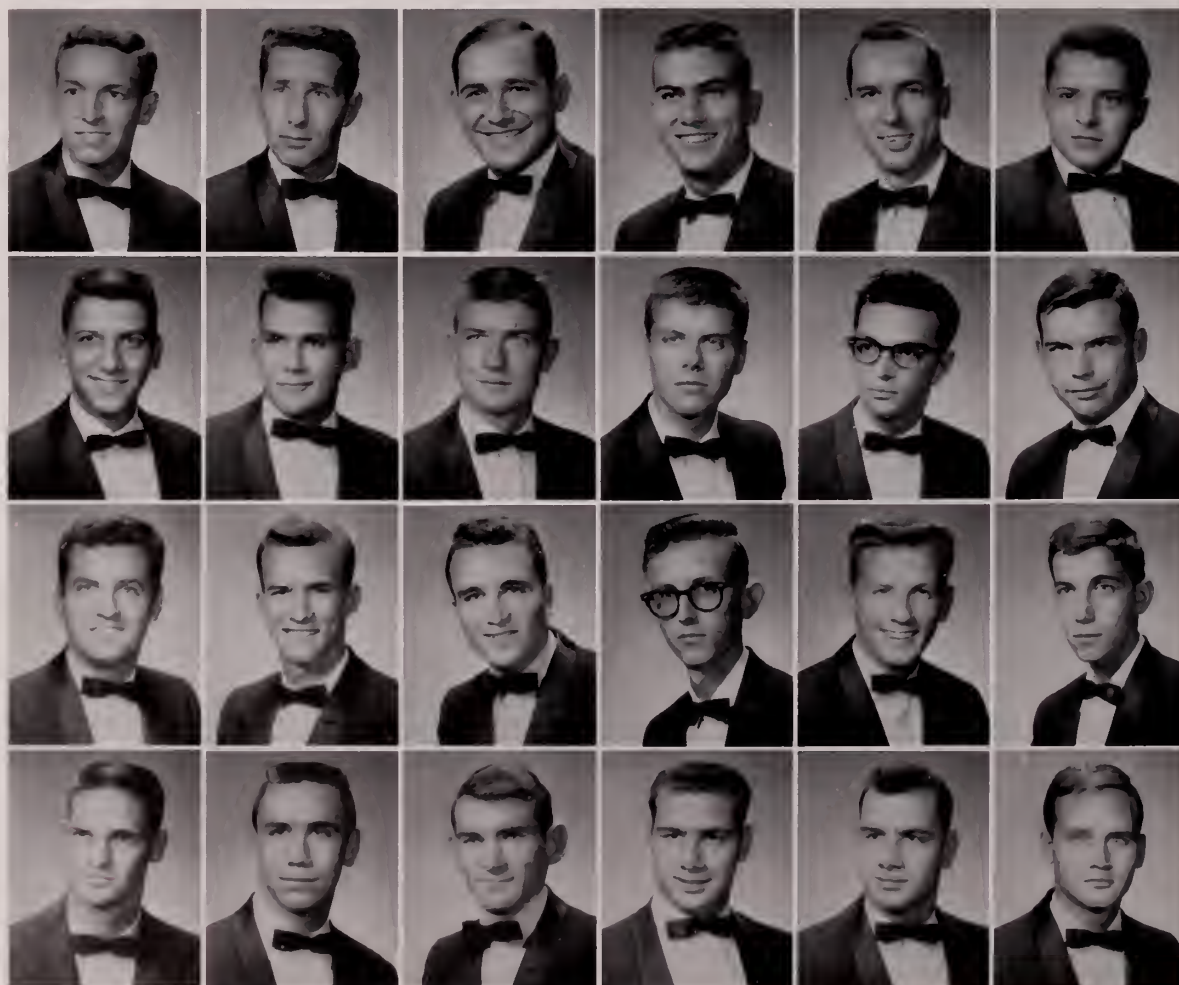

Omicron Chapter of Phi Kappa Theta fraternity began its 22nd year on the campus of the University of Southwestern Louisiana with the donation of King "Gee" Omicron V to the University. "Gee V" is an English Bulldog which will serve as the official mascot for all the Southwestern varsity athletic teams.

Phi Kappa Theta is a social fraternity for men of the Catholic faith. PKT was formed by the amalgamation of Phi Kappa fraternity and Theta Kappa Phi fraternity on April 29, 1959. Because Phi Kappa was the older of the two fraternities, having been founded in 1889 at Brown University, Phi Kappa Theta takes this date as its founding date.

As a local fraternity here at Southwestern, it was known as Gamma Colony of Theta Kappa Phi. It became Omicron Chapter of Theta Kappa Phi on May 4, 1941, and later of Phi Kappa Theta.

The largest social events of the year for Omicron Chapter are the Woodchopper's Ball and the Columbine Ball. The Woodchopper's Ball is a costume party given by the pledges, and the Columbine Ball is the annual Spring Formal. At the Columbine Ball, the fraternity sweetheart is presented to the chapter, and the awards are presented to outstanding members in scholastics, athletics, and service to the fraternity.

SIGMA NU'S WHITE ROSE

Mary Jo Hinton
Phi Mu

Sigma Nu was founded at Virginia Military Institute at Lexington, Virginia, in 1869. It was originally known as the Legion of Honor. The founders, James McIlvaine Riley, James Frank Hopkins and Greenfield Quarles, were mature men; and, moved by idealistic hopes, they formed a society which would instill honor and mutually benefit its members scholastically, socially, physically, spiritually and morally. In the years following, Sigma Nu grew and increased.

In 1962 Nu Sigma Colony of Sigma Nu was established on the U.S.L. campus, dedicated to the ideals of the Fraternity's founders.

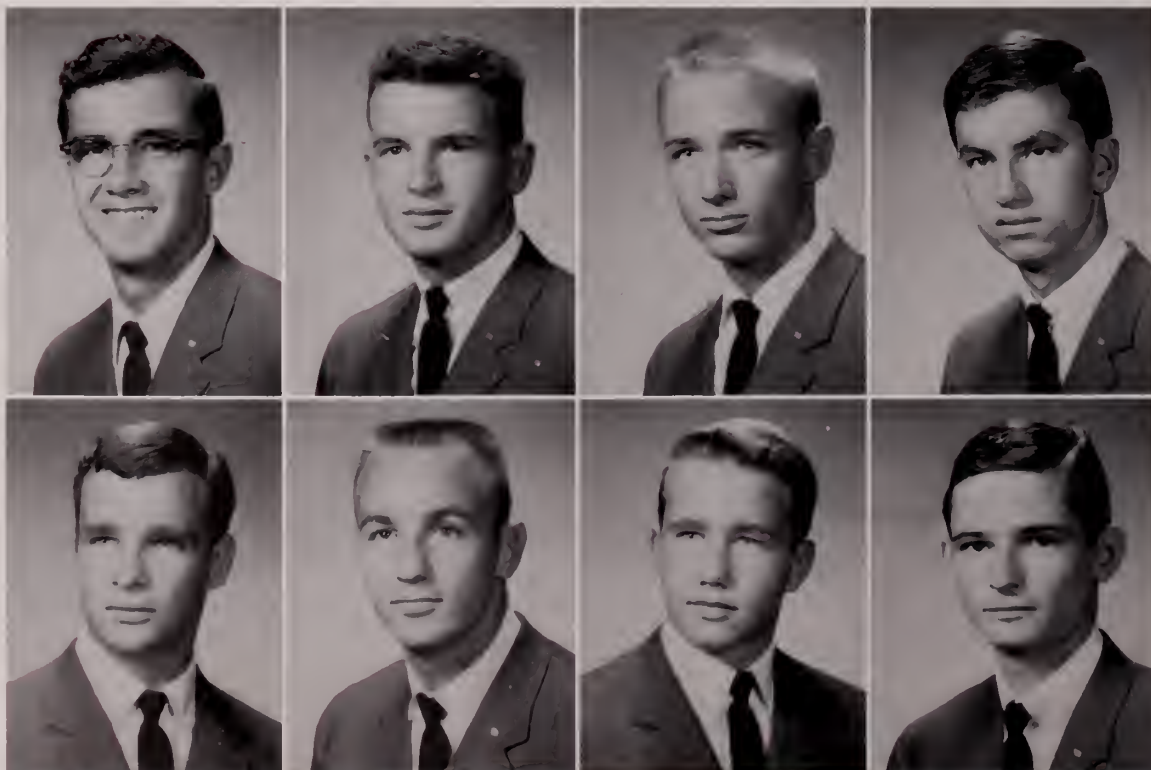

Socially Sigma Nu has been quite active this past year, enjoying many successful events. Sigma Nu sponsored the Song Festival during the first Greek Week on this campus.

Inter-fraternal competitions gave the brothers an opportunity to display their athletic abilities. The actives defeated the pledges in our first pledge-active football game.

The brothers were proud to have taken third place in the fraternity homecoming decoration competition.

During the past year that we have been here at U.S.L. the Sigma Nus have been very prominent in the field of student government, scholarship, and, in honorary, religious, military and other campus organizations.

Sigma Nu's first year on the U.S.L. campus has been a good one, and we are looking forward to an even greater one next year.

THETA XI

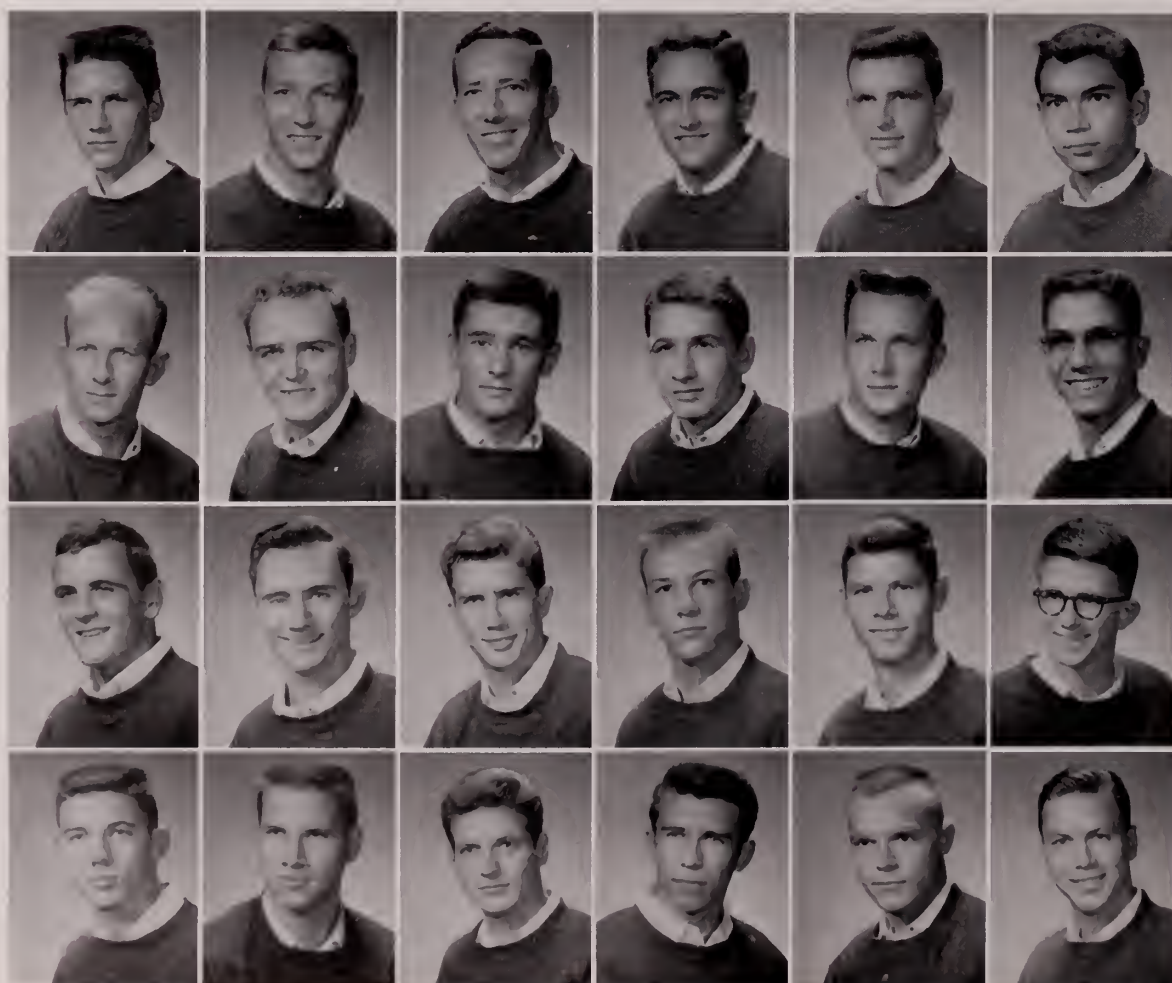

Theta Xi Fraternity was founded at Rensselaer Polytechnic Institute, Troy, New York, April 29, 1864. The founding fathers were members of Sigma Delta, a local fraternity at Rensselaer. Theta Xi and Kappa Sigma Kappa Fraternities were founded within three years of each other. Their union in 1962 was a natural one which culminated a common desire to provide greater services for their members.

Tau Sigma Delta was founded in 1921 at Southwestern Louisiana Institute. Tau Sigma was chartered into Theta Xi in May, 1946. The chapter received the name of Alpha Omicron.

Theta Xi has led in scholarship among the fraternities for eight years since its charter. Together with its scholastic achievements, Theta Xi has placed first or second for the last eight years in showing outstanding spirit and decorations for USL's Homecoming.

Theta Xi has presented the annual Christmas Dance for the USL campus for the last seventeen years to collect toys for orphans. Theta Xi also holds the annual Miss Personality Contest.

As a reward for their interest in campus and civic activities, Theta Xi received the Inter-Fraternity Council trophy in 1962 for the "Outstanding Organization" serving the USL campus.

CAPT.

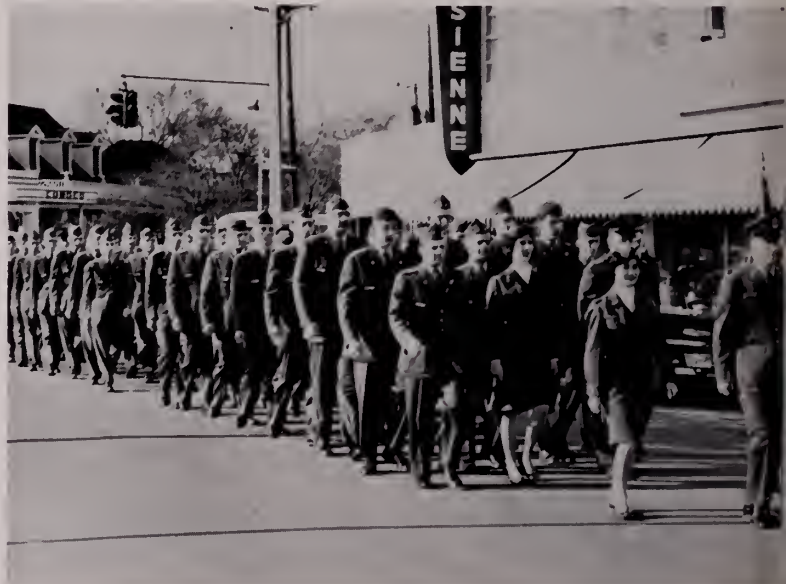

Pretty girls are part of Engineering Day, too. The Engineering Court poses on the oil rig near Madison Hall.

Arriving by Navy helicopter prior to his address in McNaspy Stadium is Capt. Albert H. Crews of the United States Air Force.

Born in El Dorado, Arkansas, 23 March, 1929. In 1931 his family moved to a farm near Alexandria, La., where his parents still reside. Was graduated from Buckeye High School in 1946 and later attended U.S.L. Received B.S. degree in Chemical Engineering in 1950. Was commissioned in March, 1952, after completion of Aviation Cadet Training. Served as Jet Fighter Pilot for next five years, then attended Air Force Institute of Technology and was awarded a M.S. degree in Aeronautical Engineering in August, 1959. Graduated from U.S.A.F. Experimental Test Pilot School in 1960 and served as a Test Pilot at Edwards A.F.B., California for the next two years. In June, 1962, was selected to attend U.S.A.F. Aerospace Research Pilot School, and was also named as one of six pilots to fly the X-20 Dyna-Soar. Was graduated from the Research Pilot School in January, 1963. Presently residing at Edwards A.F.B., California with his wife, the former Grace Marino of Lecompte, La. and their three daughters, Gail 10, Marina 8, and Kellee 3. Grace attended U.S.L. 1948-1949. In November was voted by the California Junior Chamber of Commerce as one of the state's "Five Outstanding Young Men for 1962."

The day started with a parade in downtown Lafayette sponsored by the AFROTC.

The student body attentatively listens to a response given by Capt. Crews, USL alumni.

KRVS — THE VOICE OF USL

Richard Groves broadcasts one of the many news programs during the day to the well-informed USL students.

With the beginning of the Spring semester USL was on the air with its own radio station. KRVS-FM operates on 88.3 mc. in the FM Band and the carrier current station operates on 600 kc. on the campus for AM coverage. The radio workshop is a laboratory where students interested in broadcasting can obtain experience. It is also an outlet to inform the public of South-western activities and serves as a public media that enables much public opinion to traverse and educate the masse.

KRVS-FM is the voice that carries the impressions, opinions, and reflections of this academic institution. It programs for the students. The variety of programs will reflect the thought that under this roof of a university lies the greatest variety of people, background, environment, taste, personality and demands that can ever be gathered in one place. Thus this station will program something for everyone.

ON AIR

As soon as the signal is given, Pat Gilbert turns the switch that is responsible for one of the many pleasant sounds of KRVS.

making the selection of records to be aired are Julia Hanson and Jude Chatelain.

Making preparations for another broadcast are from left to right: L. C. Melchoir, Peter Mayeux, and Mrs. Norwood.

MEXICO POLY—0

Starting the season off with a bang, the Bulldogs snatched their first victory from Mexico Poly. The Dogs started this season off with 6 seniors, 8 juniors, 12 sophomores, and 18 freshmen. The Battling Bulldogs were in command all the way. The big play was a pass from Lindsay Landry to Bert Resweber for an 89 yard touchdown play. The Bulldogs are to be commended on their fine play despite the terribly rainy condition.

Dave Cavalier adjusts quickly as he out-maneuvers a Mexico tackler.

SOUTHEASTERN—21

The Southeastern Lions rallied with precision as they whipped our Bulldogs 21-6. The big blow was a fifty-yard touchdown pass by Southeastern with only 20 seconds left in the first half. It definitely affected the Bulldogs mentally. Although the Bulldogs lost they fought and battled to the finish. They never gave up and hit as solid and hard as they could. The more experienced Southeastern club had a large weight advantage and used it to their aid.

MISSISSIPPI SOUTHERN—29

Ranked "number one" small college team in the nation and one of the largest ever faced by the Bulldogs, Southern topped over Southwestern 29-0. The mighty powerhouse of Mississippi had a hard time of it until they finally wore out the scrappy Bulldogs. The score may indicate an easy game, but they had to drive and fight for every point. The Battling Bulldogs may have lost, but they certainly showed the Mississippians that they came down to hit and that they did. This game proved to USL that with more poise and determination, they can be a fine ball club.

LA. TECH—6

With an upset in mind the Battling Bulldogs ripped La. Tech's offense to pieces as they conquered 13-6. With a stone defense and a driving offense, USL outfought Tech for four quarters. USL's big play was a kick-off return by Mike McKinsie for 90 yards. The other touchdown as tallied by Lindsay Landry. Tech's fabulous passer, Mickey Slaughter, was held in key as Southwestern's pass defense was tight. With this victory, the Bulldogs edged themselves right to the thick of the G.S.C. race.

UNIVERSITY OF TAMPA—14

The day came. The two teams came. The game was battled and fought. The outcome—a tie. USL and Tampa played to a 14-14 deadlock in an exciting homecoming contest for the Bulldogs. USL rolled to a 14-0 lead at half-time with touchdowns by Landry and Resweber. Then in the second half, Tampa put on a show and tied the Bulldogs. Both teams played a fine and clean game. The televised game was seen by close to 150,000 people. The brand of football played in this game indicates USL's progress in rebuilding their squad.

A bruising outfit from La. College surprised USL in a 12-6 upset at Pineville. Although the miserable weather prevented the Bulldogs from showing their speed, it aided La. College's weight in pounding the ball right over the Bulldogs. Going into the fourth quarter, the game was tied 6-6. The Dogs had the ball with four minutes left and fumbled, which was recovered by Louisiana College. From there, they drove up the field and scored in the fatal and final minutes.

The USL Bulldogs traveled to Natchitoches to meet the Northwestern Demons in their homecoming battle. Northwestern was ready and waiting as they handily whipped the Bulldogs 22-0. In a gallant first-half effort, Southwestern was behind 7-0. Going into the second half, the Demons took over as they controlled both the Bulldogs and the game. Even though the Bulldogs lost, they went down fighting. They impressed the crowd with their determination and hustle. This game dropped USL from first place and gave Northwestern an undisputed possession of first place.

The long-awaited ceremony—it's only the beginning!

ACKNOWLEDGMENT

Many people have helped to create your 1963 L'Acadien and to them goes the most heartfelt thanks that anyone could hope to give.

. . . Dean Agnes Roth, Faculty Advisor

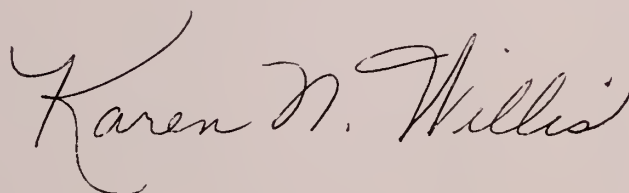

. . . Mr. Fred Elsing, Taylor Publishing Company Representative

. . . Mr. John Stephan, Photographer

. . . The Entire Staff, without whose cooperation and work the L'Acadien would not exist.

I hope this edition will serve as a "Memory Book" of one of your most precious years.

Sincerely,

A handwritten signature in cursive script that reads "Karen M. Willis". The signature is written in dark ink and is positioned below the word "Sincerely,".
